You Asked..... We Listened

The feedback we received after Nationals this year is that our coaches want the expertise brought in to help them be more competitive in competitions. Well, you asked and we listened.....

This Stunt clinic is open to only Level 4, 5, 6 and 7. We have spared no expense in bringing in this highly qualified staff with extensive cheer backgrounds from all over the nation including the head judge in charge of the USA.

Mary and team are from RevoCC. Revolution Camps and Choreography LLC. was created to build positive confident athletes and successful, unified teams. They strive to produce quality teams and individuals in the cheerleading and dance industry that are highly trained in safety and progression. Their top three objectives are developing technique, team unity and focus. They believe these three things go hand in hand when setting and reaching goal.

Mary and team are USASF safety certified and have won multiple national titles. Mary is a varsity trained judge with 14 years of coaching experience. Mary and her team will be working directly with your team and coaches to enhance stunting in your competition routine. This is your chance to raise the bar and perfect your stunts as a team.

Sorry No Refunds!
